Impossible To Possible

AGS SHIPPING

Since our inception in 1983, AGS Shipping (AGS) has been a trusted and leading name in the maritime industry. Headquartered in India and the UAE, we have built a global presence, operating in 84 countries with an extensive network of over 400 port offices. Supported by a team of more than 1,300 dedicated professionals, AGS manages over 8,000 vessels annually and facilitates 20,000 crew changes each year, solidifying our position as a comprehensive “one-stop-shop” for diverse ship-related services.

At AGS Shipping, our leadership team comprises master mariners, chief engineers, and technical superintendents with unmatched expertise in oil, shipping, customs and taxation. Their knowledge and experience empower us to deliver seamless support, ensuring operational efficiency for our global clientele.

MISSION OF AGS SHIPPING

- AGS Shipping is driven by an unparalleled motivation to meet the benchmark of world-class service in all it's multitude of engagements by aiming for the very best in it's respective field.
- We strive to be the first choice for our customers by offering excellent, effective and competent solutions to their needs.
- Our distinctive and focused group of professionals are equipped with matchless skills to create a paramount experience for our clients.
- Our aim is to create an environment of affinity for our customers by embracing their diversity into our AGS family.

QUALITY POLICY

AGS Shipping continuously strives to delight our customers with an unequaled and outstanding experience with our products and services. In our endeavour to achieve this objective:

- We continue to maintain high standards of excellence in all our products and services.
- Maintain virtuous, genuine and ethical transparency in our policies and principles.
- Create a team of highly skilled personnel with innovative training methods and an adaptive work environment.
- Introduce contemporary techniques in management solutions by constantly challenging quality objectives to adapt to changing work environments.
- Upheld every customer feedback for enhanced quality assurance.
- Be consistent with our core values and standards to provide the unfailing AGS experience.

VISION STATEMENT

To build a progressive, globally leading company, harmonising a diversity of interests with unmatched ethical, innovative and exemplary solutions.

VALUES

- Trust
- Ingenuity
- Transparency
- Accountability
- Loyalty

GOALS

Our goals reflect our strong values as a multicultural company. They are:

- Quality over quantity
- Customer satisfaction
- Employee gratification
- Worldwide recognition as a leading global company
- Increased percentage of sales every year

LEADERSHIP TEAM

At AGS Shipping, our journey is a testament to vision, dedication, and teamwork. From our humble beginnings, we have grown into a global maritime leader, delivering unparalleled shipping solutions across continents. Our foundation, built on trust, expertise, and innovation, has enabled us to establish a robust network spanning key maritime hubs, with strategic operations anchored in India and Dubai. As leaders, we take immense pride in the remarkable team that powers AGS Shipping. Their commitment, professionalism and passion are the driving forces behind our success. Together, we have cultivated a culture of excellence, where every challenge is met with determination and every milestone represents collective achievement.

Over the years, AGS Shipping has expanded its global footprint, creating enduring partnerships with clients and stakeholders worldwide. Our extensive network ensures that we are always present where it matters most, providing reliable, efficient and customized solutions to meet the evolving demands of the maritime industry.

Looking ahead, we remain steadfast in our mission to set new benchmarks in the shipping sector. By embracing innovation, sustainability and collaboration, we are prepared to navigate the future with confidence and continue delivering value to our partners. We extend our heartfelt gratitude to our clients, partners, and employees who have been instrumental in shaping AGS into the industry leader it is today. Together, we are not just navigating the seas; we are charting a course toward a brighter, more connected future.

OVER 1,300 FAMILY MEMBERS

OUR CORE SERVICES

SHIPPING AGENCY

We represent shipowners, charterers, cargo operators and crew/technical managers in managing port operations, customs clearance and crew/vessel logistics to ensure smooth maritime trade.

TECHNICAL SUPPORT

Expertise in ship repairs, steel fabrication, hull/hold cleaning and remote compass adjustment, ensuring operational readiness and compliance at every stage.

CUSTOM HOUSE AGENCY

Seamless cargo documentation and clearance handled with speed, accuracy and regulatory compliance across all ports.

SHIP CHANDLING

Reliable supply of provisions, spares and bonded stores delivered onboard with efficiency and care.

SHIP-TO-SHIP OPERATIONS

Safe, compliant and time-bound cargo transfers at sea, managed by trained personnel and approved equipment.

CREW LOGISTICS

Crew movement and welfare managed by Sunrich Travels, ensuring smooth transit, visa support and 24/7 assistance.

REMOTE COMPASS ADJUSTMENT

We perform Remote Compass Adjustments under certified expert guidance, ensuring accuracy, reducing costs and keeping your vessel precisely on schedule.

AGS Shipping is proud to hold ISO certifications in quality management, environmental management and health & safety, reflecting our unwavering commitment to reliable, sustainable and client-centric practices.

Through decades of dedication, innovation, and excellence, AGS Shipping continues to set benchmarks in the maritime industry, offering tailored solutions that meet the evolving needs of our partners worldwide. With a solid foundation built on trust and expertise, we remain steadfast in delivering value-driven services that exceed expectations, ensuring that our clients can navigate the seas with confidence.

AGS SHIPPING AGENCY CORE ACTIVITIES

GENERAL AGENTS

Provides long-term and comprehensive services to shipowners or charterers.

- Manages vessels in multiple ports, often across regions or countries.
- Cargo bookings, marketing, port clearances, and overall vessel management.

OWNER'S PROTECTIVE AGENCY (OPA)

Represents the shipowner's interests during a port call.

- Ensures fair practices by all involved parties, including charterers and port authorities.
- Monitoring operations, verifying costs, and ensuring transparency in dealings.

CHARTERER'S NOMINATED AGENT

Appointed by the charterer to handle vessel operations in the port.

- Works closely with the charterer to ensure cargo operations are smooth.
- Coordination with terminal operators, arranging berth, and managing port documentation.

HUSBANDRY SERVICES

Focuses on the care and welfare of the ship and its crew.

- Arranging crew changes and transportation.
- Provisioning food, water, and medical services.
- Coordinating repairs and spare parts delivery.
- Ensuring compliance with port regulations.

PORT AGENCY

Manages all operational aspects of a vessel's port call.

- Liaising with port authorities and terminal operators.
- Arranging pilotage, tugs, and berthing.
- Overseeing cargo loading/unloading and customs clearance.
- Ensuring timely turnaround of the vessel.

TANKER AGENCY

Specializes in handling tankers carrying liquid cargo such as oil, gas, and chemicals.

- Coordinating berth arrangements at specialized terminals.
- Ensuring compliance with safety and environmental regulations.
- Managing cargo sampling and documentation.

LNG/LPG AGENCY

Specializes in vessels carrying Liquefied Natural Gas (LNG) or Liquefied Petroleum Gas (LPG).

- Ensuring safe berthing at specialized terminals.
- Monitoring compliance with gas-handling regulations.
- Coordinating with terminal safety teams and cargo inspectors.

DRY BULK AGENCY

Handles vessels carrying bulk commodities such as coal, grains, and ores.

- Liaising with terminal operators for efficient loading/unloading.
- Monitoring cargo quantity through draft surveys.
- Ensuring proper stowage and securing of bulk materials.

AGS SHIPPING AGENCY CORE ACTIVITIES

HEAVY LIFT AND BREAKBULK CARGO AGENCY

Focuses on cargo that doesn't fit in standard containers.

- Arranging specialized vessels and equipment.
- Securing cargo with custom lashing solutions.
- Coordinating with surveyors for inspections and approvals.

Provides support services for cruise ships and their passengers.

- Passenger embarkation/ disembarkation.
- Crew management and provisioning.
- Coordinating shore excursions and port logistics.

OFFSHORE SUPPORT AGENCY

Provides services to offshore oil rigs, wind farms, and research platforms.

- Managing supply vessels, crew boats, and anchor-handling tugs.
- Delivering provisions, spare parts, and fuel to offshore sites.
- Coordinating helicopter transfers and crew rotations.

FREIGHT FORWARDING AGENCY

Focuses on cargo logistics and multimodal transport arrangements.

- Booking cargo space on vessels.
- Arranging inland transport and warehousing.
- Handling customs clearance and documentation.

DRY DOCKING AGENCY

Provides support for vessels undergoing repairs or maintenance in dry docks.

- Coordinating shipyard services.
- Procuring spare parts and overseeing repairs.
- Arranging inspections and certifications.

BUNKER COORDINATION AGENCY

Manages the supply of bunker fuel and lubricants to vessels.

- Coordinating with fuel suppliers.
- Ensuring timely delivery of bunkers during port calls.
- Monitoring quality and quantity of bunkers.

CARGO AGENCY

Specializes in managing cargo-related tasks.

- Coordinating cargo storage and transfer.
- Handling cargo documentation and customs clearance.
- Arranging special equipment for cargo handling.

SHIP RECYCLING OR DEMOLITION AGENCY

Manages the safe and efficient disposal of vessels

- Arranging delivery to recycling yards.
- Ensuring Compliance with international safety standards and regulations.
- Legal documentation and clearances.
- Negotiating sale for scrap value.
- Hazardous material management.
- Coordination with recycling yards.
- Crew assistance.

AGS SHIPPING AGENCY CORE ACTIVITIES

SALVAGE AND EMERGENCY RESPONSE AGENCY

Handles vessels in distress or involved in accidents.

- Coordinating salvage operations.
- Arranging tugboats, emergency repairs, and crew evacuation.
- Managing regulatory and insurance documentation.

RO-RO AND VEHICLE HANDLING AGENCY

Specializes in managing roll-on/roll-off vessels and vehicle logistics.

- Coordinating loading/unloading of vehicles.
- Managing vehicle inspections and damage reports.

PROJECT CARGO HANDLING AGENCY

Specializes in oversized or heavy cargo that requires unique handling.

- Coordinating logistics for machinery, turbines, and construction materials.
- Arranging specialized equipment like cranes and heavy-lift vessels.
- Obtaining permits for oversized cargo transportation.

CANAL TRANSIT AGENCY

Handles vessels transiting key waterways such as the Suez Canal, Panama Canal, or inland river systems.

- Securing transit slots and pilotage.
- Managing payment of tolls and canal dues.
- Ensuring smooth operations to avoid delays.

MILITARY AND DEFENSE LOGISTICS AGENCY

Provides support for military cargo and naval operations.

- Coordinating berths for warships and cargo vessels.
- Handling sensitive equipment and classified cargo.
- Ensuring compliance with international security protocols.

LAYTIME AND DEMURRAGE ADVISORY

Provides consultancy on time management for vessels at ports.

- Calculating laytime and demurrage for charter agreements.
- Resolving disputes between owners and charterers regarding delays.
- Ensuring compliance with contract terms.

TANK CLEANING AND SLOP DISPOSAL AGENCY

Specializes in tank cleaning and waste disposal for tankers.

- Arranging high-pressure cleaning for cargo tanks.
- Coordinating disposal of slop (residual liquid cargo and cleaning water).
- Ensuring compliance with MARPOL Annex II standards.

CONTAINER LOGISTICS AND DEPOT MANAGEMENT AGENCY

Specializes in managing container movements and storage.

- Overseeing container repairs and cleaning at depots.
- Coordinating repositioning of empty containers to high-demand locations.
- Handling leasing and sales of containers.

WHY AGS SHIPPING?

FINANCIAL BENEFITS FOR OUR PRINCIPALS

- **Cost Efficiency:** Tailored operational strategies that reduce port costs, demurrage, and turnaround time, maximizing financial savings for our principals.
- **Transparent Billing:** Clear and detailed invoices ensure transparency, eliminating hidden charges and unnecessary expenses.
- **Optimized Resource Allocation:** Proactive planning and precise coordination minimize delays, saving both time and money for our clients.
- **Strong Vendor Network:** Long-standing relationships with local vendors enable us to secure the best rates for supplies, bunkering, and repairs.

DEDICATED AND EXPERIENCED TEAM

- **Professional Expertise:** Our team includes master mariners, chief engineers, and industry veterans with decades of hands-on experience in maritime operations.
- **Retired Government Officials:** A unique advantage in understanding customs, port clearances, and regulatory frameworks, ensuring seamless navigation of bureaucratic processes.
- **Round-the-Clock Availability:** A dedicated 24/7 support system guarantees immediate responses to urgent requirements, ensuring uninterrupted operations.
- **Crew Welfare First:** Focused attention on crew welfare, including medical emergencies, shore leave arrangements, and logistical support.

COMPREHENSIVE GLOBAL COVERAGE

- **Worldwide Presence:** Operating across 84 countries with 400+ port offices, delivering consistency and reliability wherever your vessels dock.
- **Localized Expertise:** Our in-depth knowledge of local regulations, customs, and port protocols ensures faster clearances and hassle-free operations.
- **Centralized Coordination:** A single point of contact across multiple regions simplifies communication and enhances operational efficiency.

VALUE-ADDED SERVICES

- **Efficient Turnarounds:** Our team's meticulous planning ensures swift vessel turnarounds, minimizing port stays and increasing fleet productivity.
- **Technical Support:** On-demand technical expertise for repairs, hull cleaning, compass adjustments, and more, reducing downtime and ensuring smooth operations.
- **Proactive Problem Solving:** Our skilled agents anticipate and address potential issues before they escalate, saving time and costs for our clients.

STRONG COMPLIANCE AND SUSTAINABILITY

- **Regulatory Expertise:** Retired officials in our team ensure precise compliance with maritime regulations, avoiding penalties and operational delays.
- **Green Initiatives:** Commitment to eco-friendly practices, aligning with global efforts for sustainable shipping.

PROVEN TRACK RECORD

- **Extensive Experience:** Handling over 8,000 vessels annually and managing more than 20,000 crew changes, with unmatched precision and reliability.
- **Industry Trust:** Trusted by leading shipowners, charterers, and operators globally for over 40 years of excellence.

ENHANCED DECISION MAKING FOR PRINCIPALS

- **Real-Time Updates:** Advanced reporting systems and real-time communication provide our principals with up-to-the-minute operational insights.
- **Data-Driven Insights:** Analytical support to help principals make informed decisions regarding cost optimization and fleet management.

UNPARALLELED RELATIONSHIPS AND NETWORKING

- **Industry Connections:** Strong relationships with port authorities, customs officials, and local vendors, enabling faster resolutions and smoother processes.
- **Influential Team:** A core team that includes retired government officials and maritime veterans, offering an insider's perspective and influence in key regions.
